

Critter Shack Barn Cat Adoption Agreement

CAT(S) ADOPTED							
Name	Origin	Age	Sex	Description	Vet	Date	Services

In consideration for adopting the above cat(s), I agree to the following conditions:

1. To provide the cat(s) with adequate shelter that is dry, warm and draft-free.
2. To provide nutritious cat food daily, with an adequate amount for each cat (approximately one-half cup per cat).
3. To provide fresh water daily.
4. To spread litter box dropping (feces and urine) around the property during the 2 week confinement stage to increase the likelihood the cats will remain on the new property.
5. To provide veterinary care when needed.
6. If for any reason I can no longer keep the cat(s), I will contact Critter Shack, which will arrange for a new home. In no event will I sell, give away or relocate the cats without Critter Shack's permission.
7. I will allow follow-up telephone calls from Critter Shack and a follow-up visit if requested.
8. I understand that a certain percentage of barn cats will not stay at their new location. I agree to keep feeding for several weeks even if I do not see the cat(s), to determine whether they have actually left the area, and I agree to notify Critter Shack.
